Message from Mr Donnelly.....

Good morning everyone and welcome to a short school week with school closed for an In-service day on Friday!

Five at Form will start again week beginning Monday 18th November.

Encourage one another to be the very best we can be.

Enjoy your learning this week at CHS.

Message from Mr Donnelly.....

This term we have been really **encouraged** by the fantastic young people at Creeff High School:

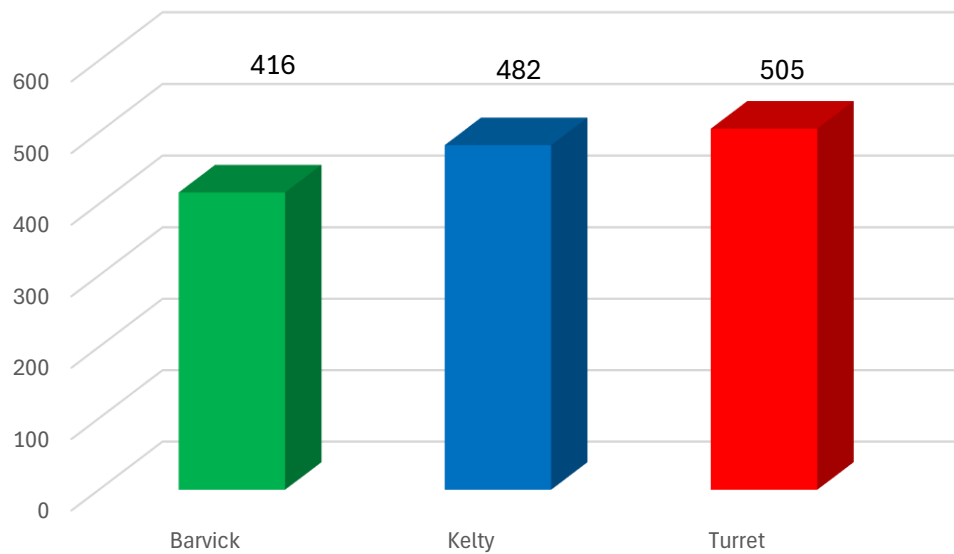

- The S1 year group were visited in Craft, Design and Technology and brilliant engagement and progression in learning was clear to see.
- The S2 year group were visited in Home Economics and we observed really good learning in action.
- Form class reps from S3 were met with to talk through the success they are having in S3 after making curriculum choices towards the end of S2.
- I have met with 97 pupils in S4, individually or in small groups, to thank and encourage them for their dedication to their studies so far; and encouraged some of the year group to start putting in maximum effort across all of their subjects so they achieve their full potential by the end of the school year.
- The S5 year group continue to build on their successful S4 which is incredibly pleasing.
- The S6 year group continue to progress in their learning and have been creating brilliant opportunities and memories for young people too.
