Message from Mr Donnelly.....

School visit last week

Thank you to the young people involved in meeting with visitors to our school last week. They were very impressed by all of our young people and were very complimentary of our school.

Very well done.

Message from Mr Donnelly.....

School value: Determination

Decorated former Olympic swimmer Kirsty Coventry has been appointed the first female and first African president of the International Olympic Committee (IOC), beating six other candidates.

The 41-year-old, who is Zimbabwe's sports minister and a two-time Olympic champion, was the youngest and only female candidate.

Kirsty commented:

"I am particularly proud to be the first female IOC President, and also the first from Africa. I hope that this vote will be an inspiration to many people.

Glass ceilings have been shattered today, and I am fully aware of my responsibilities as a role model."

Determination. No matter what field you're in, determination will surely get you to the top.
